Subject: Sid Richardson Borger Plant EPA Inspection Aug. 16, 2017

Mr. Paul Pittman:

This email serves to notify Sid Richardson Carbon & Energy, Inc. (Sid Richardson) that inspectors from the US Environmental Protection Agency's (EPA) Air Enforcement Division (AED) and Region 6 (R6) will be conducting a compliance evaluation and facility inspection of the Sid Richardson Carbon Black Manufacturing Facility (the Facility) under Section 114(a) of the Clean Air Act (CAA). The Facility is located at 9455 FM 1559 Borger, TX 79007.

As was indicated during the phone call earlier this morning, Jim Gold and I plan to make entry into the Facility on Wednesday, August 16, 2017 at 9:00 am. We request the following documentation be made available onsite for our review on August 16th at the Facility:

- Copies of both the current Title V Operating Permit Number O1414 and NSR/PSD Permit Number 1867A and PSDTX1032.
- Up-to-date process flow diagram and facility equipment diagram with corresponding Emission Point Numbers (EPNs).
- Copies of any current or in-process air permit applications submitted or in contemplation to be submitted to TCEQ for approval.
- From January 1, 2012 through present, all documentation and records required to comply with recordkeeping requirements specified in special conditions of the Facility air permits approved by TCEQ.
- From January 1, 2012 through present, all semi-annual deviation reports and all compliance certification records required under Title V of the CAA for the Facility.
- From January 1, 2012 through present, all reportable and non-reportable emission event records for the Facility.

If you have any further questions, you may reply to this email, or contact me at 202-564-7889.

Regards,

Chris
